Yes - that seems like the best way to do this. Erin and Stephanie (our NEPA lead reviewer) are both back from vacation on Monday. Thanks! - ks

All, These chapters and appendices (some are new) listed below came out for review yesterday. Due to the size of files and the difficulty in emailing them I was going to put them on a CD to get them to you. Karen let me know if walking a copy over to Erin would help in anyway. Let me know if that works. Ann
